JULY – MONTH OF THE PRECIOUS BLOOD The feast of the Precious Blood of our Lord was instituted in 1849 by Pius IX but the devotion is as old as Christianity. The early Fathers say that the Church was born from the pierced side of Christ and that the sacraments were brought forth through His Blood. The Precious Blood which we worship is the Blood which the Saviour shed for us on Calvary and reassumed at His glorious Resurrection; it is the Blood which courses through the veins of His risen, glorified, living body at the right hand of God the Father in heaven; it is the Blood made present on our altars by the words of Consecration; it is the Blood which merited sanctifying grace for us and through it washes and beautifies our soul and inaugurates the beginning of eternal life in it.

BLESSED JOHN HENRY NEWMAN will be canonised on Sunday, October 13, the Vatican has announced. At a Consistory of cardinals on Monday, Pope Francis formally approved Newman's canonisation along with that of Sister Mariam Theresia of India, founder of the Congregation of the Sisters of the Holy Family, and three others. In February, the Pope signed a decree recognising a second miracle attributed to Blessed John Henry Newman, the inexplicable healing of a woman with a "life-threatening pregnancy". Blessed John Henry Newman was one of the most prominent converts to Catholicism from Anglicanism of the 19th century. He was already an esteemed Anglican theologian when he founded the Oxford Movement to return the Church of England to its Catholic roots, before himself converting to the Catholic faith. He was renowned as a brilliant thinker and was made a cardinal by Pope Leo XIII. He died in Birmingham in 1890, aged 89, after founding the Birmingham Oratory.

GOING ON HOLIDAY SOON? Don't forget that Sundays are still Holy Days of Obligation and everyone on holiday should do their utmost to get to Mass. Sunday obligation is not just for when it suits us.
